

CHESHIRE
mouldings

Love the home you're in

DECEMBER 2012 PRICES/

INTRODUCTION/

Welcome to Cheshire Mouldings' extensive range of stair parts, decking accessories and decorative mouldings.

We hope our comprehensive price list will become an efficient and simple to use reference point for our customers to easily locate prices for the hundreds of products available, whether from our benchmark or contemporary stair parts ranges, our Dek accessories for the garden or our choice of mouldings.

We're confident our price list will be the perfect tool to compliment our product brochures but should you require any other information or assistance our customer service team are available to help.

Wherever possible all our products are made from solid timber.

Occasionally we may laminate or finger joint pieces to improve a product, make it stronger or reduce its impact on the environment.

Cheshire Mouldings fully supports and is able to supply FSC certified, PEFC certified, and BM TRADA Forest Products certified products.

Details of which products are certified under each scheme are listed in this brochure and on your invoice.

Each line can be added or removed from and to each scheme during the lifetime of this brochure.

When a line's status is essential to a customer please contact our technical help desk before ordering.

As timber is a natural product, colours can vary between different components in our range.

We use metric dimensions for all the products listed in this brochure.

All prices are exclusive of VAT.

Normal trading terms apply.

All prices were correct at the time of going to press.

Whilst every care has been taken to ensure the information contained within this price list is accurate, with our ever increasing product offering errors may occur. Cheshire Mouldings reserve the right to amend prices and details at any time. Our price list will be updated on a regular basis.

MINIMUM ORDER CHARGES

For our stair parts and small mouldings ranges we require a minimum order of £150. Orders below this amount will incur a £25 carriage charge and data bags will incur a £17 charge.

We require orders from our decking range to be a minimum of £300 but this may be added to a stair parts order. Orders below £300 will incur a £30 carriage cost.

OVERNIGHT CARRIAGE CHARGES

Overnight carriage charges differ with weight.

Databags will incur a £17.00 charge, orders up to 100kg will be charged at £35 for overnight carriage and orders between 101-150kg will incur a £47 charge.

Orders above these weights, those required before noon and those requiring Saturday deliveries should contact our customer service team for P.O.A.

Please note: Shortages and quality issues must be notified to Cheshire Mouldings within 24 hours of delivery.

FSC Certification
FSC (Forest Stewardship Council) is an independent, not-for-profit organisation concerned with the responsible management of the world's forests.

PEFC Accreditation
PEFC promotes sustainable, socially beneficial and economically viable management of forests for present and future generations.
