## Orders

## Risk and Property

Risk of damage to or loss of the goods and all liability to third parties shall pass to the Buyer from the time when the Seller notifies the Buyer that the goods are available for collection or from the time of delivery, whichever is earlier.

The Buyer shall notify the Seller of any shortages or defective goods ON DELIVERY.

The Buyer is liable for payment of the goods on signed delivery.

## Terms of Payment

The Buyer agrees to pay the Seller by the 21st day of the month following invoice date. No deliveries can be made whilst the account is out of terms. The Seller may demand immediate payment of the total account balance, when the account is out of terms.

The Seller reserves the right to charge interest and claim compensation on overdue accounts according to the Late Payment of Commercial Debts Regulations 2002.

The Seller reserves the right to charge a re-delivery fee of £50.00, where it is necessary to re-deliver the Buyer's order as a result of the Buyer's failure to comply with the agreed arrangements such as payment on delivery.
