# Q&A

**DOORMEN FRANK & PETER**

*At Housing Units our doormen see all the comings and goings in store a little more than most... This month we caught up with them to get the inside scoop from the front line.*

**Q. YOU COME INTO CONTACT WITH THOUSANDS OF CUSTOMERS EVERY WEEK, WHAT WOULD YOU SAY IS THEIR FAVOURITE THING ABOUT A TRIP TO HOUSING UNITS?**

**A.** It's hard to say what they like the most because people tend to spend the day exploring everything we have to offer. We do see a lot of the same faces coming in time and time again though so we must be doing a good job!

**Q. WHERE ARE CUSTOMERS COMING FROM?**

**A.** Housing Units attract customers from all over the country but recently we've had more travelling from Cheshire and as far afield as Australia! There's always lots of regular customers who enjoy travelling up and making a day of it.

**Q. ON AVERAGE HOW MANY PEOPLE WOULD YOU SAY COME THROUGH YOUR DOORS EACH WEEK?**

**A.** Not that we're keeping count... but on an average week there's around 20,000 and during sale periods it can be as many as 50,000 people. It definitely keeps us on our toes!

**Q. THAT'S A LOT OF CUSTOMERS! WHICH SEEMS TO BE THE MOST POPULAR DEPARTMENT?**

**A.** The lighting department seems to attract a lot of attention. But what we notice most about our customers is that they tend to like to make a day out of their trip here; exploring all the departments and often having a meal too.

**Q. HOW WOULD YOU DESCRIBE THE AVERAGE HOUSING UNITS CUSTOMER?**

**A.** That is a tough question! We get over a million customers a year coming through our doors you know. All kinds of people love Housing Units. If we had to describe the average customer we'd say they always seem very polite and courteous. And the majority of them are very chatty, friendly people.

# LEATHER SOFAS

SPLIT GRAIN

FULL HIDE

## FEEL THE DIFFERENCE

We only use the highest quality Full Hide leather on all of our sofas.

Many of our competitors use fragile Split Grain leather on the back and sides of their sofas to save cost. On the other hand, we use premium Full Hide leather on the whole of our sofas.

Why? Because you deserve the best of course.
